Success Stories Made in Greece

Tuesday 4 December 2012

12:30-14:30

Room PHS 5B001

European Parliament - Brussels

Four Greek business men will present the international success stories of their companies, which are very well-known around the world. They will break the prejudices and present the productive, innovative and extrovert face of Greece, despite the adverse economic situation. The interventions will be also relevant to the current business and economic situation in Greece and in the EU.
